

2. What will the children know?

Children will know:

- why we celebrate
- what we celebrate
- when we celebrate
- how we celebrate

Children will learn about the things that they celebrate with their families and within their locality, such as birthdays, weddings, Christmas, Bon Fire Night and New Year.

Children will learn about celebrations around the world including Chinese New Year, Diwali, Holi and Ramadan.

8. Skills

Please see curriculum plan.

7. Local to global

Children will compare local celebrations to celebrations that take place around the world. They will look at the similarities and differences between these - thinking carefully about what, when and how different people celebrate. For instance, children will compare our New Year celebrations to the Chinese New Year.
