## Message from the Headteacher

*Good Afternoon,*

*Dear Parents and Carers,*

*Our week at school has been short but very busy and full of learning. Thursday was a special day at school as we marked the 80th anniversary of Victory in Europe day. Thank you to all the parents and carers who brought the children in wearing clothing from the 1940's to help children imagine life from a different era. The children did learning about this period of history and we had a street party in the afternoon. I hope you enjoy the pictures of this event further on in the newsletter.*

*Thank you very much to the PTA for providing red, white and blue cakes which made our afternoon even sweeter!*

*We have also had a visit from the Mental Health Support Team in Schools (MHST) team to do an assembly for pupils. It is always helpful to have reminders about how to keep ourselves healthy and how to seek further advice when needed, so I have included a link below to their website for your information.*

*I hope you have a lovely weekend.*

## School News

### **VE day 80th Anniversary Celebrations**

Thank you to Mrs Pocock and Mrs Down, who made delicious cakes for our tea party.

### **Free wooden staging blocks**

We have some staging blocks that we no longer require. If anyone would like them for free, please contact the school office.

## Exploring the Church

In RE, the children in Class Bray are looking at the question: Which places are special and why? On Wednesday, Class Bray had the opportunity to visit the local Church where Reverend Katie talked to us about why the Church is a special building to the community and Christians. The children thoroughly enjoyed having the chance to look at the different areas and asked lots of thoughtful questions. A big thank you to Reverend Katie for taking the time out of her day to tell us all about the Church.

## Lego Club!

We thought we share some pictures of our first Lego Club. We had three brand new models to build with lots of team work and following instructions in order to complete our models! We had lots of fun!

## Ventrus Vacancies
